### THE EXPERTS, INC ANNOUNCES AIM™ – ALLIANCE FOR INNOVATION IN MEDICAID

**Fort Lauderdale, FL (July 28, 2011)** – The Experts, Inc. announces today, the formation of AIM™ – Alliance for Innovation in Medicaid. The AIM™ Team's founding members are The Experts' HIT Practice, MariChris, LLC, Scientific Technologies Corporation and Polyglot Systems. This alliance was formed to create a more innovative approach to integrate Eligibility Determination with the States' MMIS and Public Health enterprises for Federal, State and Local Governments.

AIM™, the Alliance for Innovation in Medicaid, has collaborated to develop a set of Eligibility Solutions with the following features:

- Simple, multi-lingual self-service interface supports effective communication for applicants with limited English proficiency
- Versatile eligibility engine supports customizing any eligibility rule
- Eligibility determination across multiple programs simultaneously
- Eligibility and enrollment status detailed analysis
- Service quality and management reports
- Support for Meaningful Use of health information technology
- Integration with public health and population health solutions
- Health Insurance Exchanges integration support
- MITA compliant design
- Implementation with service oriented architecture

"We are excited about this new alliance," stated Thomas Derrick, Managing Partner of The Experts' HIT Practice. "This team and its offerings will be exhibited at the National MMIS conference in Austin, Texas during the week of July 31<sup>st</sup> through August 4<sup>th</sup>. We are well-positioned, to fully integrate Eligibility Determination and Public Health with the State's MMIS. Our focus is on delivering the very best IT software and services for Information Technology's effort to reform Healthcare Systems as mandated by the Affordable Care Act," Derrick added. "Professional Services offering are critical when building innovative Healthcare IT systems and the Experts HIT Practice is among the best in the country", he continued.
