THE EXPERTS, INC. AWARDED ON-SITE TECHNICAL SERVICES AND BREAK-FIX CONTRACT IN THE NORDICS

FORT LAUDERDALE, FL (August 1, 2011) – The Experts are continuing to expand its' managed services capabilities in the Nordics by supporting customers in Kolboton and Lorenskog Norway, outside of Oslo, as well as by expanding The Experts on-site services reach into Harstad, Norway and increasing the amount of resources that The Experts currently has in Stockholm, Sweden.

These contracts require that The Experts manages, sustains, and evaluates all areas of the customers technical level support needs around-the-clock and to maintain the management staff needed to oversee the ticketing response and proper technician to desktop deployment. The statement of work requires the installation, redeployment, removals, moves, adds, changes and PC refresh to End User client software and hardware, adhering to all Customer's standard operating procedures and work instructions. The Experts are now providing these services across Pharmaceutical, Banking and Finance, Manufacturing, and Heavy Industrial business and sectors throughout the Scandinavian. "We are extremely proud of our Nordic expansion and attribute that growth to having the right resources and management on the ground both in the Nordics and our EMEA head office," stated David Hoshko, Chief Global Office of The Experts. "We have sourced the proper staff correctly in the Nordics and are managing a strict internal growth to expanding business ratio in this region in particular. The Nordics is a part of the world that demands speed to market, creativity and most of all agility," furthered Hoshko.
