### **THE EXPERTS, INC. PROVIDES TELECOMMUNICATIONS TECHNICIANS TO SUPPORT U.S. DEPARTMENT OF STATE IN AFGHANISTAN**

**TAMPA, FL (June 17, 2009)** – The Experts, Inc. announced today that they will be providing telecommunications technicians to support the Department of State under the ACAS/CIVPOL contract. The U.S. Department of State has awarded DynCorp International a task order for the Afghanistan Civilian Advisor Support (ACAS) under the International Civilian Police (CIVPOL) contract.

DynCorp International has provided and supported civilian police advisors in Afghanistan under the CIVPOL program since 2003, and is also working under the CIVPOL contract to strengthen law enforcement institutions and activities. Under the task order, DynCorp International will provide at least 580 civilian police advisors to advise, train, and mentor the Afghanistan National Police and the Ministry of Interior. These police advisors will assist the U.S. State Department and the Combined Security Transition Command - Afghanistan to meet the U.S. goals of increasing Afghanistan's overall capability to provide police presence, improve public security, and support the rule of law. DynCorp International will also provide support services for the civilian police advisors, including life and mission support, security services, and IT and communication services.

The Experts will provide multiple technicians to support the installation, testing, operations and maintenance of networks in various positions to include Tech Control, Satellite Communications, Outside Cable Plant (OCP), Inside Cable Plant (ICP), Network Engineers, and Network Administrators. “Our Department of Defense cleared technicians will work throughout Afghanistan to include deployment to remote Forward Operating Bases (FOBs) in support of the Combined Security Transition Command,” stated James Malkovich, Director of Operations for The Expert Connection, a division of The Experts, Inc.

The Experts, Inc. is a VOSB (Veteran Owned Small Business) which provides IT Professional Services to FORTUNE 500 and 1000 companies; State, Local and Federal Governments; as well as the Department of Defense.
