THE EXPERTS OPENS OFFICE IN DOHA, QATAR

WILLIAMSBURG, VA (June 13, 2010) – The Experts is proud to announce the opening of its' local office and presence in Doha, Qatar; a pivotal and crucial foothold for the company in Southwest Asia (SWA) which will act as the company's Project Management Office for the region. Due to The Experts' role under USCENTCOM at CFH as well as in theater, DMDC, and continued services and full solution offerings in the area of field and satellite communication in Iraq and Afghanistan, The Experts found it to be extremely beneficial to establish a local presence. Furthermore, The Experts is now able to better service their customers through depot level support, local-national labor throughout SWA, and by addressing all needs first hand through the Doha office.

“Our focus in Qatar, UAE, Oman, Yemen, Saudi Arabia, Bahrain, and Kuwait has mainly been in support of the Warfighter over the last several years by providing systems engineering, network design, field communications, satellite communications, IT infrastructure and video teleconferencing,” explained David Hoshko, Chief Global Officer with The Experts. “What is exciting now is that The Experts is in a better position to offer the same level of full ranging solutions while remaining extremely competitive, by working with local product suppliers and by reaching out to the international workforce that thrives in the region,” continued Hoshko. “We are an extremely customer driven organization that prides itself on being the first responder through a rapid deployment methodology, and we know we can continue to build upon that successful model within the Middle East and Southwest Asia through the great partnerships we have in the region.”

The Experts, Inc. is a VOSB (Veteran Owned Small Business) which provides IT Professional Services to FORTUNE 500 and 1000 companies; State, Local and Federal Governments; as well as the Department of Defense.
