THE EXPERTS, INC. – RECENT EXPANSION IN EUROPE, MIDDLE EAST & AFRICA (EMEA). – HAMBURG, GERMANY HQ

FT. LAUDERDALE, FL (September 24, 2009) – The Experts, Inc. has expanded its' US and International client base by establishing a GmbH entity, The Experts-IT Deutschland GmbH. This expansion is crucial to provide better support for The Experts' customers with a more comprehensive logistics solution, working with local governments to coordinate the deployment of US or Foreign labor to several theaters within Europe, Middle East and Africa.

Currently The Experts is supporting the US Department of Navy, US Army, USAF, US State Department, Army Corps of Engineers, NATO and DISA with a wide variety of telecommunications solutions ranging from the IT infrastructure and satellite communications to the overall architecture of the networks, project management and logistics. Some of the key areas that initiated this expansion was work facilitated at USCENTOM and United States Air Force Europe Military Health Records. The Experts has teams deployed in Germany, Iraq, Afghanistan, Qatar, and Japan supporting these war-fighter efforts.

David Hoshko, The Experts' Vice President of Business Development and James Malkovich, Director of Operations, are leading the company's OCONUS efforts. Mr. Hoshko is currently residing in Europe through the rest of the year to manage this expansion and evaluate target areas in which additional resources will be needed. "This is an exciting time for The Experts," stated Mr. Hoshko. "We are not only experiencing rapid growth as a whole, but truly expanding our reach and increasing our solution capabilities around the globe – to include emerging product solutions and by providing a more rapidly deployable bench of resources in theater. We are confident that this will provide our customers the speed, agility and cost competitiveness they need, as budgets tighten, without discounting the war-fighter needs, as they remain imminent to national security," Hoshko continued.

The Experts is also taking this opportunity to expand their reach in to the private sector within Europe and the Middle East. "There are tremendous opportunities in central and eastern Europe right now as well as in the Middle East, like Doha, Qatar and Dubai, UAE," explains David Hoshko. "The Experts has the ability now to bring on local European or African resources and partners which will allow us to provide our same solutions to the international banking, construction, oil and gas, and telecommunication communities. There is a thirst now, more than ever for more creativity, out of the box thinking and cost effective solutions around the World. The Experts wants to be sure that we are better positioned to answer those calls," stated Mr. Hoshko.

The Experts, Inc. is a VOSB (Veteran Owned Small Business) which provides IT Professional Services to FORTUNE 1000 companies; State, Local and Federal Governments; as well as the Department of Defense. The Experts has been listed on *Inc 500* and *Inc 5000* in recent years, as one of fastest growing private companies.

The Experts is headquartered in Fort Lauderdale, Florida and has offices in Phoenix, Arizona; Dallas, Texas; Tampa, Florida; Atlanta, Georgia; Charlotte and Raleigh, North Carolina; Alexandria and Williamsburg, Virginia and Lanoka Harbor, New Jersey. The Experts provides services in 42 states and the District of Columbia and has recently expanded services into Europe and the Middle East.
