**THE EXPERTS, INC. PROVIDES TELECOMMUNICATIONS
INSTALL TEAM TO SUPPORT U.S. DEPARTMENT OF STATE IN IRAQ**

TAMPA, FL (January 10, 2009) – The Experts, Inc. announced today that they will be providing telecommunications teams deployed to Iraq in support of the U.S. Department of State on the ICAS/CIVPOL contract. The U.S. Department of State has awarded DynCorp International a task order for the Iraq Civilian Advisor Support (ICAS) under the International Civilian Police (CIVPOL) contract.

DynCorp International will recruit more than 800 civilian police advisors to help advise, train and mentor the Iraqi Police Service (IPS), Ministry of Interior, and Department of Border Enforcement. These police mentors will be assigned to the Civilian Police Advisory Training Team (CPATT), the component of the U.S. military Multinational Security Transition Command responsible for the U.S.-led effort to train and equip the Iraq police service, and will work with the military police teams under the command of Multi-National Corps-Iraq (MNC-I). These services include life and mission support, security services, and IT and communication services.

The Experts will provide a rapidly deployable team of technicians to support the installation, testing, operations and maintenance of a Very Small Aperture Terminal (VSAT) network in order to provide the Iraqi Police Service with telecommunications services. Our team of cleared, U.S. citizens will deploy throughout Iraq to include remote Forward Operating Bases (FOBs) to provide on-site solutions to urgent as well as routine network issues.

The Experts, Inc. is a VOSB (Veteran Owned Small Business) which provides IT Professional Services to FORTUNE 500 and 1000 companies; State, Local and Federal Governments; as well as the Department of Defense.
